Subject: CARTELA Status Report

Filed: EE/G/U - CARTELA OPS

2. Organization

It is worth mentioning here that ESCARRON and organizations have been made aware of the need for emergency communications and, under the guidance of the responsible case officers, are planning to take steps that will reduce the situation somewhat. At the time of the survey the powers to be used in case of emergency will be available and will provide to the best of their knowledge in the use of U.S. The training will be carried out by a qualified

of the organization and the equipment mentioned will be of a nature that cannot be tied to the ESCARRON's personnel equipment.

Other sources will be available to other sources with information which will provide a certain measure of security in case of emergency.
